

# Training and Conference Room Rental

Sited centrally in Dubai our training center offers training and conference rooms featuring state-of-the-art networked equipment. These rooms provide all the support you need to stage events to satisfy professional demands. We're happy to accommodate your wishes regarding room size, event timing and duration, equipment, and technical support. All rooms are equipped with a beamer, whiteboard, flipchart and PCs with highspeed Internet access.

Simply let us know what you need, and we'll make you an offer without obligation on your part. You can reach us any time at Tel. +971 455 192 49. Or you can fill in this [reservation request](#). Give us your contact data and state your requirements, and we will get in touch with you as soon as possible.
